

Project Short Description

Country: Uganda

Deadline: 14th March 2024, 03.00 hours p.m. local time in Uganda

Project Execution Agency (PEA) Ministry of Energy and Mineral Development (MEMD)

Title: Consulting Services, Energy Sector – Grid Densification Programme, Phase II

Project No.: 2018-68 645

KfW Reference No: 510743

Project Name: Project: Grid densification programme to enhance access to electricity in rural and peri-urban areas (Phase II)

Type of Notice: Expression of Interest/Prequalification

Short description: Qualified independent consultants are invited to submit prequalification documents for consulting services for implementation of the above-mentioned distribution grid densification program. Existing medium and low voltage distribution systems shall be extended. Communities can apply for extension of distribution schemes. The consultant shall assist the PEA to review and rank the received applications. The Preliminary design of selected schemes shall be reviewed and bidding documents shall be established accordingly. The works shall be contracted in two lots. The consultant services comprise further procurement of contractors, design review, site supervision and commissioning. The consultant shall manage a disposition fund for procurement of Productive Use of Energy (PUE) appliances and installations, elaborate procedures for application and handling of the subsidizing scheme.

The Consulting services include project management, assistance to the Project Execution Agency, reporting, elaboration of an ESMP, supervise the ESMP and ESHS adherence.

Further information will be made available upon written request by the PEA with copy to the Tender Agent.
